**PETITION TO WITHDRAW HOLDING OF ABANDONMENT BASED ON
FAILURE TO RECEIVE OFFICE ACTION**

Mail Stop PETITIONS
Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant hereby petitions the United States Patent & Trademark Office (hereinafter "USPTO") to withdrawal the Notice of Abandonment mailed January 12, 2005, and revive the above-captioned application as the undersigned never received the Office Action. M.P.E.P. 711.03(c) I. The undersigned hereby certifies that the Office Communication mailed April 29, 2004 (hereinafter "Office Communication") was never received by the undersigned, and a search of the file jacket and docket records indicates that the Office Communication was not received (see Exhibit A).

The Office Communication, as indicated in the PAIRS image file wrapper for this patent application, incorrectly shows a mailing address to Fish & Richardson, PC, at 12390 El Camino Real, San Diego, CA 92130-2081, despite the customer number indication of 38108 in PAIRS, which is the customer number of the undersigned. The address of the law firm of Fish & Richardson (hereinafter "Fish") has NEVER been the official communication address for this application, nor has an attorney at Fish ever been the official representative in this application.

BEST AVAILABLE COPY

A "Revocation of Prior Power of Attorney and Appointment of New Attorneys of Record" (hereinafter "revocation") was submitted on December 12, 2003 and clearly indicates the new representative as being the undersigned at an address of 1120 Connecticut Ave., Ste. 1010, Washington DC 20036 (see attached Exhibit B). The image file wrapper shows that the revocation was received and entered into the file at the USPTO. Furthermore, the revocation was received by the USPTO a full 4 months prior to the Office Communication being sent from the USPTO. Clearly, this error was through no fault of the undersigned, and was entirely a mistake by the USPTO. For this reason, the undersigned respectfully requests that the error be recognized and the abandonment be withdrawn at no cost to applicants. Furthermore, the undersigned respectfully requests re-issuance of the office communication and a re-starting of the statutory period for response.

For at least the foregoing reasons, Applicant respectfully requests that the holding of abandonment in this application be withdrawn, the Office Communication be mailed to the correct correspondence address for the application, and the statutory period for response restarted.

Since the abandonment of this application was caused entirely by USPTO error, it is believed that no petition fee is necessary. However, if the USPTO disagrees, then the petition fee is authorized to be charged to our deposit account 50-3077. Furthermore, any other fees required to maintain pendency of this application are authorized to be charged to our deposit account.

Respectfully submitted,

By:
